

February News

Recital Costumes: As costumes trickle in, they will be tried on in class for inspection before they are bagged and labeled for sending home. Please note, some costumes will not be arriving until late April.

Required shoes for Recital: All students that participate in recital will need to have the required shoes. All costumes match....shoes need to match too. The required footwear can be found on our website.

If you have purchased your shoes from our Dancewear Shoppe you have what you need for recital. Be sure to double check before you purchase to save yourself buying a second pair.

PLEASE HELP US: Toys and stuffed animals seem to be making their way to studio in dance bags. These are a major distraction to not only the student who brings them but to other students in their class. We remind the students every week that these items are to stay at home. Please help us by checking your students bag and keeping these items and any other non-essential items at home. We appreciate your help. Eliminating distractions helps to keep the students on task.
